# 21st Sutherland Shire National

## Exhibition of Photography Electronic Images

A.P.S. Approved Exhibition  
2009/14

Supported by The Federation of  
Camera Clubs NSW

## INTRODUCTION

Digital photography has certainly changed the way we take and exhibit our photographs.

In this, our second venture into an all digital exhibition, we have surpassed the number of entrants and entries of our previous exhibition two years ago even though we had fewer categories. Who knows what the coming years will bring.

I want to thank my hardworking committee and the judges for the time and effort they put in to make The 21st Sutherland Shire Nationals the success it is.

To the gifted entrants, who without your support this Exhibition would not be possible, I say thank you and congratulations for the excellent work submitted and I especially extend my congratulations to the award winners.

The 2010 Exhibition will be for prints only and I trust you will all provide the same level of support.

## AWARDS

SSNEP Trophies are awarded for First place & Runner Up in each section. Merit Certificates at the discretion of the judges. All "accepted" entries will receive an Acceptance Card. All entrants will receive a catalogue and CD.
