Sutherland Shire
National

Exhibition of Photography
Electronic Images
2014

A.P.S. Approved Exhibition
2014/18

Supported by The Federation of
Camera Clubs NSW

INTRODUCTION

I would like to thank John Newton for his dedication and commitment to the Sutherland Shire National over the past 25 years that it has been operating. John decided to stand down at the end of last year's exhibition as the Chairman and I have taken the reigns. I am confident that our committee which consists of David Daly, Cam Sutton and myself can continue the high standard that John achieved. We had a big learning curve in taking over the functions John performed and thank David and Cam in helping make this year's exhibition a success.

Once again the exhibition was well supported with the number of entrants slightly up. It is encouraging to see new entrants participating. We received 1359 images from 146 photographers from all parts of Australia and overseas. The images received were of a high quality which didn't make it easy for the judges when selecting the awards.

I would like to thank the judges for giving up their time but not their expertise in selecting the wide variety of images for presentation.

Finally, I would like to acknowledge the Federation of Camera Clubs for their continued support and the use of their judging equipment. This year we are presenting the exhibition at two new camera clubs along with the three camera clubs that have supported us for several years. Their support is greatly appreciated.

We look forward to your continued support in making the exhibition a great success.

Martin Regan AAPS
Exhibition Chairman
